Key to Sketch of the "Secret Institute" (page 2)

- 1. Serebryanyy Bor passenger station on an electric line.
- 2. Moscow subway station "Sokol". The line on the sketch, running in a south-westerly direction from the station, represents the route of bus line No. 20, which operates from the station to the newly built up district of "VIEM" (point 13 on the sketch). Sign on the bus is No. 20-VIEM.
- 3. Public park.
- 4. Approximate area which contains newly constructed cottages for German scientists. This area is enclosed and is guarded by militiamen.
- 5. Serebryanyy Bor freight terminal.
- 6. Approximate location of the "Secret Institute" of the Academy of Sciences.
- 7. Compound containing the barracks for a military unit (presumably guards for points 4 and 6).
- 8. Military storage area.
- Iarge military tank repair factory. This factory is serviced by the freight sidings and unloading platforms near the Serebryanyy Bor freight terminal.
- 10. Naval school. Regular bus stop in front of the school.
- ll. Military school.
- 12. Prominent bridge over a double-track railroad line.
- 13. VIEM, new built up area; exact limits unknown.
- 14. Bus can be stopped here by signalling the driver.
